

10 November 2023

Dear Parent/Guardian,

At Garrang Wilam Primary School, we are committed to providing the very best education for all our students. We are looking forward to a great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

In the past year our community has supported us by paying these contributions which has allowed us to offer a robust and varied curriculum program. To sustain these programs this support is still needed. We hope that families will continue to pay these contributions so we can offer our existing program in 2024.

Within our school this support has allowed us to resource an incredible Physical Education Program, Music Program and innovative and creative Visual Art offering as well as setting up a comprehensive Digital Learning Program with a focus on Robotics. We have resourced reading materials to bolster our take home reading program, classroom reading materials and library books, with over \$20,000 spent towards this. Every classroom has math toolkits for students to use when displaying their math knowledge. Kits are filled with hands-on resources such as MAB, linking cubes, tens frames, Cuisenaire rods, rulers and dice. The support has also contributed to our well-maintained grounds.

Your contributions ensure that all students are ready to learn with the materials they need every day.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

We thank you in advance for your continued support of our school and we look forward to working with you and your child/children in 2024.

Sincerely,

Natalie Nelson  
Principal

Quenton Walsh  
School Council President
